

Douglas S. Morrison Douglas Morrison
PLLC doug@eln.law (425) 765-2647

Doug Morrison counsels and represents clients on a wide variety of environmental issues and claims, including air quality, water and stormwater discharges, solid and hazardous waste, chemical use and storage, contaminated properties, mergers and acquisitions and real estate transactions. Doug expertly handles workplace safety issues involving chemical use and exposure. He regularly assists clients faced with federal, state, or local agency enforcement actions as well as citizen suits on all these topics. Doug helps clients devise Environmental, Health and Safety management systems to minimize liabilities and orchestrates auditing programs to manage compliance.

Martindale Hubble rates Doug **AV Preeminent**. This is the highest peer rating standard, given only to attorneys who rank at the highest level of professional excellence for their legal expertise, communication skills, and ethical standards.
